

GET OVER THE FEAR OF SURGERY and

GET THE SOLUTION FOR THE PROBLEMS...

The fear that if you go the surgeon you will be advised surgery prevents many people from seeking right opinion and prolonging their disease and suffering.

In today's ADVANCED SCIENTIFIC AGE surgery is the last option, there are effective NONSURGICAL TREATMENTS available in the form of LASERS, MESOTHERAPY, SKIN GLUE and many more. The effectivity on you can only be decided by your doctor on consultation.

IF YOU HAVE BEEN SUFFERING FROM PILES, FISSURE, NAIL INGROWTH, CYSTS, EARLOBES NEEDING REPAIR and anything that you have been postponing, let now be the time to get an expert opinion.

PILES

Itching, burning, pain in anal area and bleeding on passing stools are the warning of piles.

They increase with age and they might have started in pregnancy but without treatment they are not going to be relieved.

TREATMENTS AVAILABLE:

- ◆ Medicines
- ◆ Sclerotherapy
- ◆ Laser
- ◆ Barron's rubber banding
- ◆ Cryotherapy
- ◆ Infra Red Coagulation

The treatment regimen is decided based on severity of symptoms.
